

EXPORT PROCEDURES AND DOCUMENTATION FOR FURNITURE

This covers the exportation of all forms of furniture.

1. Visit www.jexporter.com or the JAMPRO offices and register to become an exporter. The registration process usually takes three to five days.
2. Obtain advice from the Bureau of Standards regarding the appropriate packaging and labelling as well as those required by the various markets.
3. Purchase and complete Export Entry Form C82, which is available from the Trade Board or the Jamaica Exporter's Association. Complete all relevant commercial and export forms.
4. You may consult with the Trade Board's Certification Unit to determine whether the product you wish to export qualifies for preferential treatment in any overseas market. If so, purchase the relevant form and obtain the required Certificate of Origin.
5. Check shipping/air cargo rates and schedules as well as provisions for insurance coverage. Complete a Tally Sheet (by air) or a Wharf/Dock Receipt and a cargo Integrity Form (by sea).
