

Plant Quarantine and Produce Inspection Branch Services

MOVING TO

JSWIFT

*Trade of Plant and Plant
Products are moving JSWIFTly*

The Jamaica Single Window for Trade (JSWIFT) is a one stop shop electronic system which allows importers and exporters to apply for licence, permits, certificates and other international documents.

PQPIB–JSWIFT SERVICES

The following key services for PQPIB will be made available through JSWIFT using a phased approach in the order of priority as below:

PHASE 1: IMPORT

- Import Permit
- Pest Risk Analysis (PRA)

PHASE 2: EXPORT

- Export Permit (Export Certification)
- Packing House Certification
- Packing House Usage
